

The Evangelization Day Manual

- The Philadelphia Senatus has available an *Evangelization Day Manual* .
- The manual shows how to prepare for and conduct a Legion of Mary "Evangelization Day".
- Items covered include: Planning with the pastor, Preparing the assignments, Materials used in the visits, Approach to be used and what to say, Conducting the reporting session, Collecting the visitation data, Completing the final report and preparation for follow-up visits.
- The focus of Legion of Mary "E-Days" is *direct evangelization* – the all-inclusive door to door visitation of definite areas of a parish, using the proven methods of legionary visitation with the authentic legionary spirit.
- (It is the first of the "Three Cs" of the Legion apostolate: Conversion, Conservation and Consolation.) The Manual is also used for Legion of Mary "C-Days" or "Conservation Days", where the focus is on the direct visitation of lax or lapsed parishioners, using, for example, a list easily compiled from the names on unreturned collection envelopes!
- The Manual is available for \$4 postpaid from Legion of Mary Supplies, 201 E. Main St. Norristown, PA, 19401. For further information or to discuss the program in detail you may call Don Taggart at (610)304-7434 or E-mail don.taggart@verizon.net.
